## **BayCare Clinic Foundation Gives Six-Figures in 2006 Donations**

The BayCare Clinic Foundation is thrilled to announce that its 2006 giving totaled nearly \$120,000.

“As the president of the Foundation, I am extremely proud of my partners for enabling us to do this much good work for the community. Even better, the effect will multiply since our major emphasis is on educating health care professionals to return to the area”, said Joseph Hodgson, MD, President of the BayCare Clinic Foundation Board.

Local groups which received BayCare Clinic Foundation funds include the March of Dimes, Leukemia & Lymphoma Society of NE WI, Cerebral Palsy, Inc., The Salvation Army, Healthy Teeth Healthy Kids Program, United Way, Salvation Army, Golden House, Brown County Medical Alliance, and the University of Wisconsin-Green Bay Foundation.

2006 giving also includes the BayCare Clinic Healthcare Scholarship Program. This scholarship program is designed to assist area scholars pursuing advanced education in the healthcare sector, and annually distributes \$1000 scholarships to students in Green Bay and the surrounding communities.

---more---

Through this effort, it is the hope of the BayCare Clinic physicians that additional qualified healthcare employees will be available to provide needed services to the community.

BayCare Clinic Foundation donations consist of individual physician donations and collective monies distributed by its Board. For more information on the BayCare Clinic Foundation, please visit the BayCare Clinic website at [www.baycare.net](http://www.baycare.net).

The BayCare Clinic Foundation is the philanthropic arm of BayCare Clinic, LLP. The mission of the BayCare Clinic Foundation is to promote the health and well-being of Northeast Wisconsin's residents.

BayCare Clinic is the largest, most complete physician-owned specialty-care clinic in Northeast Wisconsin. It is comprised of 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in the region for over 25 years.
