BayCare Clinic Specialist Matthew Michaels, MD, to see Patients in Sturgeon Bay

Green Bay, WI, January 19, 2009 -- BayCare Clinic Physical Medicine & Rehabilitation is pleased to announce that Matthew Michaels, MD, will begin to provide services at North Shore Clinic in Sturgeon Bay, located at 323 South 18th Avenue, beginning Wednesday, January 28.

Dr. Michaels is a Physical Medicine and Rehabilitation doctor, also known as a Physiatrist. As a Physiatrist, Dr. Michaels specializes in muscles, bones, and nerves - diagnosing and treating injuries and illnesses that affect how an individual moves. A Physiatrist's goal is to reduce pain and restore function without surgery. Through these methods, Dr. Michaels is able to help patients stay as active as possible at any age.

BayCare Clinic is the largest physician-owned specialty-care clinic in Northeast Wisconsin and the Upper Peninsula of Michigan. It is comprised of over 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in Green Bay and the surrounding region for over 25 years.
