### **BayCare Clinic Foundation Gives Six-Figures in 2007 Donations**

Green Bay, WI, February 12, 2008 – The BayCare Clinic Foundation is pleased to announce that its 2007 charitable giving totaled nearly \$150,000. “I am very proud of the work that BayCare Clinic Foundation has done for our community”, said Joseph Hodgson, MD, President of the BayCare Clinic Foundation Board. “Our level of giving has consistently increased over the past several years and the outreach of support has been tremendous.

Local groups which received BayCare Clinic Foundation funds include the March of Dimes, Juvenile Diabetes Research Foundation, Cerebral Palsy, Inc., The Salvation Army, United Way, The Cystic Fibrosis Foundation, Golden House, and the University of Wisconsin-Green Bay Foundation.

2007 giving also includes the BayCare Clinic Healthcare Scholarship Program. This scholarship program is designed to assist area scholars pursuing advanced education in the healthcare sector, and annually distributes \$1000 scholarships to students in Green Bay and the surrounding communities. Through this effort, it is the hope of the BayCare Clinic physicians that additional qualified healthcare employees will be available to provide needed services to the community. Sixteen scholarships were awarded in 2007 as part of this program.

BayCare Clinic Foundation donations consist of individual physician donations and collective monies distributed by its Board. For more information on the BayCare Clinic Foundation, please visit the BayCare Clinic website at [www.baycare.net](http://www.baycare.net).

The BayCare Clinic Foundation is the philanthropic arm of BayCare Clinic, LLP. The mission of the BayCare Clinic Foundation is to promote the health and well-being of Northeast Wisconsin's residents.

BayCare Clinic is the largest, most complete physician-owned specialty-care clinic in Northeast Wisconsin. It is comprised of 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in the region for over 25 years.
