BayCare Clinic Foundation Gives Six-Figures in 2008 Donations

Green Bay, WI, February 11, 2009 – The BayCare Clinic Foundation is pleased to announce that its 2008 charitable giving totaled nearly \$200,000. “I am honored to be a part of an organization whose giving has consistently increased over the years”, said Joseph Hodgson, MD, President of the BayCare Clinic Foundation Board. “To be able to see firsthand how the contributions have helped the community is a remarkable feeling.”

Local groups which received BayCare Clinic Foundation funds include American Red Cross, Family Services, Freedom House, Golden House, Juvenile Diabetes Research Foundation and March of Dimes.

2008 giving also includes the BayCare Clinic Healthcare Scholarship Program. This scholarship program is designed to assist area scholars pursuing advanced education in the healthcare sector, and annually distributes \$1000 scholarships to students in Green Bay and the surrounding communities. Through this effort, it is the hope of the BayCare Clinic physicians that additional qualified healthcare employees will be available to provide needed services to the community. Fifteen

--More--

scholarships were awarded in 2008 as part of this program.

BayCare Clinic Foundation donations consist of individual physician donations and collective monies distributed by its Board. For more information on the BayCare Clinic Foundation, please visit the BayCare Clinic website at www.baycare.net.

The BayCare Clinic Foundation is the philanthropic arm of BayCare Clinic, LLP. The mission of the BayCare Clinic Foundation is to promote the health and well-being of Northeast Wisconsin's residents.

BayCare Clinic is the largest physician-owned specialty-care clinic in Northeast Wisconsin. It is comprised of over 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in the region for over 25 years.
