Mark Duffy, MD, PhD, Advanced Cosmetic Solutions,

Named to the Botox National Education Faculty

Green Bay, Wis., October 11, 2006 –Mark Duffy, MD, PhD, of Advanced Cosmetic Solutions, has been named to the Botox National Education Faculty. As such, he is one of just three physicians in Wisconsin, and the only physician in this area designated by Allergan and Botox to teach other physicians how to inject Botox and dermal fillers.

This elite distinction is available by invitation only, based not only on volume of injections, but more importantly, by proven expertise in the science of botox and fillers. In addition to being named a Faculty member, Dr. Duffy also becomes one of the first physicians in the nation with access to the most recently-release filler, Juvederm.
(please see the accompanying pdf on Juvederm)

Dr. Duffy received his Medical Degree from the University of Illinois-Chicago, and completed his residency in Ophthalmology also at the University of Illinois-Chicago.

---more---

He is Fellowship Trained in Ophthalmology from the University of Illinois Chicago, and Fellowship Trained in Oculoplastics from the Manhattan Eye, Ear and Throat Hospital.

Dr. Duffy is Board Certified by the American Board of Ophthalmology.

Advanced Cosmetic Solutions is located at 2140 Velp Avenue, Green Bay. Please call 920-662-7540 for any questions, or to schedule an appointment.

BayCare Clinic is the largest physician-owned specialty-care clinic in Northeast Wisconsin, and the Upper Peninsula of Michigan. It is comprised of 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in Green Bay and the surrounding region for over 25 years.
