BayCare Clinic Specialist Thomas Wilkins, MD, to see Patients in Bonduel

Green Bay, WI, June 30, 2008 -- BayCare Clinic Physical Medicine & Rehabilitation is pleased to announce that Thomas Wilkins, MD, will begin to provide services at Aurora Health Center in Bonduel, located at 101 Express Way, beginning Tuesday, July 8.

Dr. Wilkins is a Physical Medicine and Rehabilitation doctor, also known as a Physiatrist. As a Physiatrist, Dr. Wilkins specializes in muscles, bones, and nerves. He diagnoses and treats injuries and illnesses that affect how an individual moves. A Physiatrist's goal is to reduce pain and restore function without surgery. Through these methods, Dr. Wilkins is able to help patients stay as active as possible at any age.

BayCare Clinic is the largest physician-owned specialty-care clinic in Northeast Wisconsin and the Upper Peninsula of Michigan. It is comprised of 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in Green Bay and the surrounding region for over 25 years.
