The Oral & Maxillofacial Surgeons of BayCare Clinic Welcome Regan F. Brown, DDS

Green Bay, WI, July 1, 2009 – The Oral & Maxillofacial Surgeons of BayCare Clinic welcome Regan F. Brown, DDS.

Dr. Brown received his degree from the University of Minnesota School of Dentistry, Minneapolis, and completed his residency in Oral and Maxillofacial Surgery at the University of Tennessee, Memphis. As an Oral and Maxillofacial surgeon, Dr. Brown specializes in tooth extractions, TMJ disorders, replacement of missing teeth with dental implants and other procedures associated with the face and jaw areas.

Dr. Brown joins William J. Nelson, DDS, Gregory W. Welsh, DDS, Michael J. Schuh, DDS, and Steve A. Zent, DDS, MD, with the Oral & Maxillofacial Surgeons of BayCare Clinic. He will be practicing at their main office located at 2581 Development Drive, Green Bay, as well as their outreach office locations in Manitowoc, Shawano, Sturgeon Bay and on West Mason Street.

BayCare Clinic (www.baycare.net) is the largest physician-owned specialty-care clinic in Northeast Wisconsin and the Upper Peninsula of Michigan. It is comprised of over 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in Green Bay and the surrounding region for over 25 years.
