**Mark Duffy, MD, PhD Awarded for Achievement  
by the American Academy of Ophthalmology.**

Green Bay, WI, January 7, 2008 – Mark Duffy, MD, PhD, an ophthalmic plastic and reconstructive surgeon with BayCare Clinic Green Bay Eye Clinic, has been awarded the Achievement Award by the American Academy of Ophthalmology. This award recognizes Dr. Duffy for his contributions made to the Academy, its scientific and educational programs and to ophthalmology.

In addition to these scientific and education contributions to the Academy, and before joining BayCare Clinic Green Bay Eye Clinic, Dr. Duffy was an ophthalmology educator at the University of Illinois. He has produced an educational DVD for endoscopic lacrimal (tear duct system) surgery that has been circulated nationally. He also is a National Educational Faculty Member for Botox Cosmetic and is one of only three physicians in the state of Wisconsin, and the only one in northeast Wisconsin, trained to teach physicians how to administer Botox Cosmetic.

Dr. Duffy received his medical degree and completed his residency at the University of Illinois-Chicago. He is fellowship trained in Ophthalmology from the University of Illinois-

Chicago, and is fellowship trained in Oculoplastics from the Manhattan Eye, Ear and Throat Hospital. Dr. Duffy is Board Certified by the American Board of Ophthalmology.

Dr. Duffy practices at BayCare Clinic Green Bay Eye Clinic's main office located at 2253 West Mason Street, Green Bay. He is also active Medical Director and practices at Advanced Cosmetic Solutions of BayCare Clinic, 2140 Velp Avenue, Green Bay, and The Day Spa, 600 North 10 Street, De Pere.

BayCare Clinic is the largest, most complete physician-owned specialty-care clinic in Northeast Wisconsin. It is comprised of 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in the region for over 25 years.
