**BayCare Clinic Urological Surgeons Announces
Kelsy Kellermann, PA-C, CUPA, earns Urology
Advanced Practice Certification**

Green Bay, WI, July 3, 2008 -- BayCare Clinic Urological Surgeons announces Kelsy Kellermann, PA-C, CUPA, has earned the Urology Advanced Practice Certification.

Certification is the tangible recognition of professional achievement and special competence in the practice of urologic care by nurses, technicians and physician's assistants. Certification promotes standards of nursing care vital to the public interest; provides growth and advancement in nursing practice; enhances individual achievement and the individual's sense of professionalism; and promotes a commitment to quality in the delivery of care to the public. To become certified, candidates must pass a 200 item examination. Individuals successfully completing the certification process may use the credentials for a period of three years before recertifying.

Kellermann works with surgeons W. Scott Dougherty, Timothy Kennedy, Myron Marlett, Bruce Neal and Arthur Sonneland at BayCare Clinic Urological Surgeons main office, located at Aurora BayCare Medical Center, 2845 Greenbrier Road, Green Bay.
