BayCare Clinic Names Lesley Bitters as Director of Clinical Operations

Green Bay, WI, December 3, 2008 – BayCare Clinic announces Lesley Bitters, R.N., CNRN, B.S., as its Director of Clinical Operations.

Lesley Bitters has been with BayCare Clinic since its inception in 1999. Her career path involved working in various nursing disciplines, including neonatal ICU, adult ICU and in the operating room doing cardiac, vascular, and neurosurgical cases. In 2002, Bitters took on the “NeuroCare Coordinator” role for BayCare Clinic and Aurora BayCare Medical Center and has most recently been the Neuroscience Service Line Manager in Aurora North Region’s Business Development group.

Bitters is a graduate of the Bellin College of Nursing and has earned her Bachelor of Science in Business Administration from Cardinal Stritch University.

BayCare Clinic (www.baycare.net) is the largest physician-owned specialty-care clinic in Northeast Wisconsin and the Upper Peninsula of Michigan. It is comprised of over 100 specialty physicians with expertise in more than 20 specialties. BayCare Clinic physicians have served patients in Green Bay and the surrounding region for over 25 years.
